Doug:

Any chance you could just send me a copy of your December 2016 quarterly groundwater coordination meeting agenda?

I just want to make sure we include the same general content.

I will be sending a meeting invitation soon. The next meeting will be held on March 1.

Thanks and call with any questions.

Jason

Hi Don

Sorry

I was waiting to see if I had a potential conflict and then forgot to get back to it

Maureen is the Deputy RA admin Assistant

She won't be attending; she was a cc because she handled Catherine's calendar. I assume she will be handling Walters calendar but he may do that himself

I did the doodle exercise.... can make the March dates

Hi Doug,

We are closing in on dates for the next NWIRP/Northrop Grumman Groundwater Quarterly Coordination Meeting. Can you let us know your availability? Could you please also check in with Maureen Hickey?

Walter Mugdan indicated that Catherine McCabe asked him to participate and he has already provided his availability. Thanks.

Don
